

City Wellness Center

Official Patient Summary Report

Patient Name: Sahil Khaire

Visit Date: 2026-02-21

Patient ID: P-1426

Doctor: Dr. Smith

Date of Birth: 1990-05-15

YOUR HEALTH SUMMARY (Simplified Explanation)

Sahil Khaire,

PATIENT SUMMARY

Your visit to City Wellness Center on February 21, 2026, has been documented. Dr. Smith attended to you and discussed your health concerns. Your date of birth is May 15, 1990, and your patient ID is P-1426.

YOUR DIAGNOSES

The doctor has diagnosed you with Hypertension (High BP), which means your blood pressure is higher than normal. Your blood pressure reading was 145/90. This condition is also known as Stage 1 Hypertension ().

YOUR MEDICATIONS

You have been prescribed Amlodipine () 5mg, to be taken once daily in the morning with water for 30 days. This medication helps to relax blood vessels and improve blood flow.

TIPS FOR HEALTH

To manage your condition, it is recommended that you follow a low salt diet. This will help to reduce your blood pressure and improve your overall health.

WARNING SIGNS

If you experience any of the following symptoms, please seek immediate medical attention:

- Severe chest pain ()
- Sudden weakness ()
- Dizziness ()

NEXT APPOINTMENT

Your next appointment is scheduled for March 7, 2026. If you need to reschedule or have any questions, please contact us at +1234567890 or email us at your preferred time. You can also reach out to us via phone at +917499321239 or email sahilkhair6.6.2006@gmail.com.
